

WGI World Championships 2010

Dynasty Percussion was in full force at the 2010 WGI World Championships. We had a great time watching all of the amazing performances and catching up with all of the groups that play Dynasty Percussion. We were excited to see all of the Dynasty shirts that were floating around the arena throughout the weekend. A big thank you goes out to Rhythm X, Redline Percussion, and Aimachi for all of their help and input on the NEW Dynasty T-Max carrier featuring the new SEM (Single Entry Mount) system. RhythmX took everyone's breath away by standing and even running on top of the drums. We would like to say "Thank You" to all of the groups that play Dynasty and best of luck this summer.

Pictured to the right is the Palmetto Percussion staff. Palmetto was crowned the 2010, WGI Percussion Independent Open Gold Medalist! Congratulations to the Palmetto staff and kids who worked extremely hard this season.

Dynasty would also like to send a special congratulations to Palmetto Percussion, Stryke Percussion, and Pariah Indoor for taking all three medals in the WGI Percussion Independent Open class.
